Didactic: Interventions	90 Minutes
Break	15 minutes
Case Studies Skill Station	45 minutes
Didactic: Evaluation and Synthesis	30 minutes
Summary and instructions for test and evaluation**	15 minutes

** Online mandatory knowledge validation test is not included in the agenda for the in-person course. If instructors and/or facilities choose to have access to computer labs or have course participants bring their laptops to administer the test on the same day as the in-person course, the day will be extended by 1 hour. Instructors should not review test questions with course participants before the online mandatory knowledge validation test.
