

2023 Perinatal Bereavement Certificate Program

Module Title

Objectives

Module 00: Intro Module

Module 1: Defining Perinatal Loss

Module 2: Grief and Loss Theory

Module 3: Impact of Faith and Culture on Perinatal Loss

Module 4: Caring for the Family (Person and Family Unit)

Module 5: Decisions and Preferences (at Birth and Beyond)

Module 6: Perinatal Palliative Care

Module 7: Postpartum Care and Next Pregnancy

Module 8: Debrief and Self-Care

Module 9: Competencies for Perinatal Loss

1. Analyze the various types of perinatal loss.
2. Formulate an individualized plan of care that supports the unique traditions and cultures of each family.
3. Examine strategies to support parents and families through the process of grief in the perinatal period.
4. Investigate how perinatal palliative care may support families in maximizing the quality of life and comfort for newborns with life-limiting conditions.
5. Recognize the need for health care professionals to participate in debriefing and self-care strategies.
