

## 2023 POST-BIRTH Online Course

Course	Objectives	Description
POST-BIRTH Online Course	<p>analyze the negative consequences of racial, ethnic, and geographic inequities and social determinants of health on maternal health outcomes and how it relates to maternal mortality in the United States.</p> <p>discuss POST-BIRTH warning signs for potentially life-threatening complications using AWHONN’s POST-BIRTH acronym and when to identify signs of potential complications requiring immediate or prompt attention.</p>	<p>AWHONN's POST-BIRTH Warning Signs online course provides a standard approach to postpartum pre- and post-discharge education for all patients, regardless of risk factors. Course participants are educated about the United States maternal morbidity and mortality crisis, definitions, causes, and contributing factors. The course provides participants with strategies to educate patients <b>and</b> their families to recognize <b>POST-BIRTH</b> warning signs</p>
