

AWHONN

PROMOTING THE HEALTH OF
WOMEN AND NEWBORNS

**NEONATAL
ORIENTATION
& EDUCATION
PROGRAM (NOEP)**

NOEP includes everything you need to provide quality, evidenced based education to your neonatal nursing staff. The modules are designed for self-paced learning, instructor-led learning, or both.

To incorporate different teaching methodologies and boost learner engagement, AWHONN has added interactive elements that include integrated case scenarios, multiple narrators, the ability to slow down/speed up narration, short videos intergraded throughout, over 1,500 images and study guide worksheets.
